

Interactive Technology in Education conference | itk-nayttely.fi

The biggest ITE conference in the Nordics. During the two days you will meet education decision makers, purchasers, industry experts and leading academics. In the Exhibition Area you have a chance to:

- Meet and mingle with over 2000 education experts
- Promote your brand and gain valuable face-to-face feedback from your target audience
- Build new customer relationships and strengthen the existing ones
- Position your brand among the leading companies of the ITE industry
